Dear Educator,

I will be conducting a psychoeducational evaluation with your student _____

As the student's parents are providing you with my forms, they endorse your participation in providing information. However, your school may require the parents to sign your school's release of information as well.

Your professional input is invaluable to this evaluation process, and we would appreciate your responses to our questionnaire and any other type of informative data that you provide. This information is integrated with other assessment information and incorporated into the written report. Please complete the information as comprehensively as possible.

We would appreciate the return of these forms as soon as conveniently possible and before the date of the assessment _____

Thank you very much for your time and support!

Sincerely,

Corbin Feroletto, Ph.D.
